

— Industrialized Buildings Commission —

Number
94-01

Effective Date: August 1, 1994

Subject: Size limitations for documents submitted to the Commission's library

Reference: MRR - Part V, Section 1(A)(1)

ISSUE: Compliance assurance documents are being submitted to the Commission in a variety of sizes. In order to contain the cost of storing these documents, the Commission has determined that a size limitation needs to be established.

INTERP: Drawings submitted to the Commission's library as part of the building systems documents shall be a maximum of 12 inches by 18 inches with a footnote indicating the scale photographically reduced.
